

PRATIK G ALURKAR

pratikalurkar004@gmail.com | linkedin.com/in/pratik-g-alurkar | github.com/pratik-087

Recent Computer Science Engineering graduate with a strong foundation in Java, Spring Boot and MySQL. Passionate about backend development and currently building hands-on projects while strengthening Data Structures & Algorithms to develop scalable and maintainable applications.

Education

ATME College of Engineering Bachelor's Degree CSE CGPA - 7.9	Jan 2022 - July 2026
Vijaya Vittala Composite PU College PUC - 91.5%	Jan 2021 - Dec 2022
Sri Adichunchunagiri Central School CBSE Board - 75.2%	Jan 2019 - Dec 2020

Projects

BOOKNEST - Library Management System

- Built a RESTful backend for book/member management using Spring Boot and MySQL
- Designed relational schema with Book, Member, and BorrowRecord entities via JPA
- Developed CRUD APIs and borrow-return logic with real-time availability tracking
- Implemented input validation, exception handling, and appropriate HTTP status codes to improve API reliability.
- Tested and verified REST APIs using Postman and managed project dependencies with Maven

Training

Java Full-Stack Development | Genesis Training Solutions

Feb 2026 - May 2026

- Completed structured training covering Core Java, Spring Boot, MySQL, and React
- Practiced Git, Maven, and Postman as part of the application development workflow
- Practiced SQL queries, database design, and entity relationships using MySQL
- Used Git for version control and basic source code management
- Gained exposure to full-stack application architecture and REST API concepts

Skills

Programming Languages: Java, SQL

Frameworks: Spring Boot, Spring MVC, Spring Data JPA

Database: MySQL

Web Technologies: REST APIs

Tools: Git, GitHub, Maven, Postman, IntelliJ IDEA, VS Code

Core Concepts: OOP, Data Structures & Algorithms, DBMS

Certifications

Java Full-Stack Development – Genesis Training Solutions

Java Programming – Code for Success

Hackathons & Technical workshops

Paper Publication

DRIVEAWARE - Published in International Conference on AI in Engineering Systems
